Hot Line No 42A

By popular demand your club Lounge and Bar will be open on Tuesday (Christmas Eve) afternoon/evening for members who would enjoy a 'quiet' drink in peaceful surroundings before heralding Santa's arrival later that night.

About this time each year we recall (amongst a few regulars) an idea that has been 'aired' about the Club for a few years now but never acted upon……and that is to have a Christmas Dinner on Christmas Day at the Club. 'We' appreciate some of you spend Christmas day alone, while others are very family oriented and spend it in the company of family and friends. So 'we' wondered if there would be a demand for such an event…at the Club?.

Currently we (the Club) are asking for feed-back on the innovations committees proposals. If you feel that you would like to attend a Christmas Dinner/Party at the Club on December 25th 2015, pop a positive note into the 'feed-back' box outside the office. If there is a demand we will set about trying to organise it.

On behalf of Muzza and I, and our happy bunch of volunteers that serve you your welcome refreshments at the end of a trying day on the green, we send to you our best wishes for a joyous and happy festive season. We hope 2015 will be kind to you.

Cheers and Good Bowling

Barry Bunting

Men's Championship Fours

Just a reminder from the Men's Match Committee stating the expectation is for 2 rounds of Championship Fours will be played this coming Saturday It is hoped for the Post Section draw to be prepared on Saturday Evening

Cheers
Mort
