"Pleasant Occasions"

What a pleasure it was to be at the Burnside Bowling Club last Friday night where the atmosphere was truly jovial and friendly with the monthly get together of the ladies group adding a great deal to the occasion > Ross Bells magnificent back ground music of Michael Jackson was enjoyed by all. [Do not panic" no" Ross was not singing !!!] I feel sure if this relaxed enjoyable setting remains with us Burnside members will look forward to the friendship and camaraderie on Friday's nights at Burnside.
