Bill Fowlie

~ latest report from Bill and Linley indicates they are both well ,albeit coping with the frustrations with the co-ordination process between the preparation of new of "Four New Synthetic Greens" ~ "Delivery of Equipment ie Jacks Mats Flags etc etc "~~ Completion of Service Buildings which must all be finished for an International Eight Nation Tournament in Six weeks which is the end of March 2010.

I believe if we were in Delhi at the present time we would be treating Bill very carefully ?
