From Graham Lowery

Upstairs Committee / Kitchen Room has recently had a new heat pump installed.

If you have any problems please contact Graham who also asks for the pump to be turned off after use . In addition it is important for all of us to ensure our premises and gates are locked when we are the last person departing in the evening

Looking forward to seeing you next Saturday at the
Presidents Trophy and Charity Tournament ..
Remember entry is \$5 per person with the Charity being the
Red Cross

Cheers for now
