

Hot Line No 61

Burnside needs more coaches - it could be YOU!

The club needs to increase its base of introductory coaches so that we can expand our coaching programme.

Training will be during the off season - dates to be advised - and will involve:

- - 6 hours theory and sport specific content
- - 8 hours practical coaching
- - 2 hours practical assessment

If you are interested we'd love to hear from you ... please contact Cushla or Vince to register your interest - thanks
