Club Shirts ... To ensure we receive delivery at the end of September it is necessary for the first shirt order to be placed the week end of August 14th . Please be good enough to indicate your requirements at an early date .Sheets are provided in both the mens and ladies match rooms

I think it is appropriate to point out it is a requirement of Bowls New Zealand and Bowls Canterbury for club teams to dressed appropriately ie either all players in white shirts or Burnside Club Shirts

Bill Fowlie has sent us a "gem "of a letter from the Indian Authorities which I think you will enjoy. Please attached

Cheers
