

Whilst coping well with the problems of the environment Mates n Bowls for this year could be considered a success
Originally 5 nights were planned with 3 eventuating as a result of the quake

The first two nights had 38 players the attendance climbing to 51 on night three

All participants appeared to enjoy the bowls and the social aspect of the competition and we hope new members to the game of bowls will eventuate

Despite only having 3 evenings the club benefited by \$545 after paying levies and supper Bar sale are in addition.

As is always the case at Burnside Bowls the volunteer support was strong with all names being placed in a draw with Bowls NZ where

Lloyd Ewan

was successful in winning 12 months free subscription at Burnside

Once again I would like to recognize the outstanding contribution from

Alan Bryce

who tirelessly convenes MIB .. Our sincere thanks Alan and your great team of volunteers

Thank you Alan
