

## **Burnside Bowling Club Membership Drive >> Flyer Distribution**

As we have already indicated to you the Open Day's to attract new members to Burnside and the game of Lawn Bowls has the theme this year of

### **"Burnside Bowling Club Have a Go "**

and will be held on four separate days commencing

**Saturday September 24<sup>th</sup> 2011.**

The distribution of the 6000 flyers inviting the public to play bowls at Burnside will be held over three days .

**Tuesday 20<sup>th</sup>, Wednesday 21<sup>st</sup> and Thursday 22<sup>nd</sup> September 2011.**

Our walking group will make the final delivery at 10am on Thursday.

The flyers will be organized into packages and will contain a distribution grid map.

The packages may be collected from the Club Lounge from

**2 pm on Monday afternoon September 19<sup>th</sup> 2011 .**

We strongly encourage members to assist us, by distributing the flyers in their residential and or adjacent areas .

Members are also welcome to join our walking group at 10am on the Thursday .

Please be good enough to help us with the most important project of the year.

Members can register their interest in two ways

- ❖ Email me direct , [mort.pauline@xtra.co.nz](mailto:mort.pauline@xtra.co.nz) with the day and district you can handle .
- ❖ Place your name and details on either of the lists which are located in both match rooms.

By following either of the above options will enable us to place your name on the package and thus enable us to control the distribution efficiently.

I should point out we will require approx 30/40 members for this exercise to be a success

Thanking you in anticipation of your support  
regards

Mort
