

# Hot Line One ...2011

*Welcome to the 2011/12 Season .... I know it is a bit early .. hardly the time to get the shorts out .. however when you think about it there are only 12 weeks until the bowling season opens at Burnside Bowls.*

*Despite everything, we know .. the Crusaders will be the Super Rugby Champions ... The Highlanders will continue to wear green ... The All Blacks will be the Rugby World Champions .. The Silver Ferns will beat the Australians at the World Net Ball Championships .and we are going to have a great summer of bowls ... also don't forget the quake's are going to stop soon .. bring it on*

*Friday Night at Burnside Bowls*

*Next Friday night the 8<sup>th</sup> July the meeting place of choice is the Little Brown Jug in Wairakei Road*

*If you are lucky you may or may not get a free drink .It depends entirely on the mood of Ken Judd .*
