## **Presidents Message 2017 / 2018**

It is my pleasure to warmly welcome both new and existing members to the 2017/2018 season. As you will see we again have a very full programme planned for the season. It has been designed to provide bowls for all members and I would encourage our new bowlers to become involved and play in as many events as possible. I believe that the events programmed provide for participation at all levels. Please assist the Match Committee by ensuring you play your games promptly and before the specified dates.

With the decision to have Drawn Fours this year all members are urged to enter to ensure this event endorses the concept of involving as many members as possible in Championship play. This will be the first year for many that there are no international fixtures at Burnside. It is pleasing to see that members have encouraged and positively responded to the introduction of Blind Bowls to the Club.

A special thank you to all the members who are volunteering many hours to help with the varied and numerous tasks around the Club. Without your support, which is greatly appreciated, the Club would not be in the great position it is now.

Glen Miller has a well-planned programme for all the greens, so they will be in great condition for the season providing you the best surfaces possible.

The playing results last year set a standard that we should strive to maintain or better this year.

On behalf of the Club I wish to thank our many sponsors for their support. That support enables us to provide many events. Sponsorship is a two-way street and I would urge all members to use the services of our sponsors whenever possible.

The Club's recent successes in various Awards are recognition of the efforts of its members. It is the members that make the Club and you should be proud of our achievements.

All the best for a very enjoyable and successful year.

Alan Bryce  
President
