Hot Line Number 139 - 23 April 2020

Covid-19

At midnight next Monday we move into Alert Level 3. Key points of this level from the Covid19.govt.nz website are:

People instructed to stay home in their bubble other than for essential personal movement – including to go to work, school if they must or for local recreation.

Physical distancing of two metres outside home (including on public transport), or one metre in controlled environments like schools and workplaces.

People must stay within their immediate household bubble but can expand this to reconnect with close family / whānau, or bring in caregivers, or support isolated people. This extended bubble should remain exclusive.

Schools (Years 1 to 10) and Early Childhood Education centres can safely open but will have limited capacity. Children should learn at home if possible.

People must work from home unless that is not possible.

Businesses can open premises, but cannot physically interact with customer

Low risk local recreation activities are allowed.

Public venues are closed (e.g. libraries, museums, cinemas, food courts, gyms, pools, playgrounds, markets).

Gatherings of up to 10 people are allowed but only for wedding services, funerals and tangihanga. Physical distancing and public health measures must be maintained.

Healthcare services use virtual, non-contact consultations where possible.

Inter-regional travel is highly limited (e.g. for essential workers, with limited exemptions for others).

People at high risk of severe illness (older people and those with existing medical conditions) are encouraged to stay at home where possible and take additional precautions when leaving home.

Sponsors

As we move down through the Alert levels and the opportunity opens for ourselves and businesses it is now the time more than ever to support our sponsors. They have been loyal to us in good times now it is pay back time for us to support them more so in their hour of need. CNTRL + click this link for all our sponsors -

New Executive

If you are interested in joining the Executive team, please get in touch with Brenda, by phone or email the Club. Brenda's Phone: 351 2638 or 0274 855 622. Email: theclub@burnsidebowlingclub.com

Your local Gaming Trust committed to 100% local funding

Tim Lynch

Our good friend passed away on Tuesday. Tim was well known for his love of the game as well as his woodworking skills. The mat and jack trolley is a piece of his handy work. He was a great help to Graham Lowery on maintenance of the club. Tim was 93. No further details available. RIP Tim.

Disabled toilets

The grant approved by the City Council to update our ground floor men's toilets to accommodate disabled persons has been banked. The contractor is Bushnells and with the downgrade of the Alert system to level 3 means they will make a start on the project next Tuesday. With this activity on site it is imperative that no members enter the club grounds on their recreational walks as this will contravene the Safety Plan the contractor will have in place for the duration of the construction.

E-Tournament

This well supported tournament run by AJ and his team has still not had a double winner with Big Foot and Doelly the winners during the past seven days. Contact AJ if you want to be part of this popular event.

Umpires Corner

Question (ixx)

When does a team/player gain possession of the rink?

Answer

As soon as their opponent's bowl has come to rest, after allowing time for marking a toucher as soon as it comes to rest (Law 13.2)

Player who has just bowled and others not involved should be either behind the head or behind the mat.

Question (xx)

Who is responsible for the scorecard while play is in progress?

ANZAC Day

Saturday 25 April 2020. With the present Covid-19 restrictions there will not be any community services this year. A small way that you can commemorate the day is to assemble at the end of your drive (stick to your Bubble and keep your 2m distance if you share a drive) at 5.55am for a minutes silence at 6am.
