

## The President's forum

**The Bowls Canterbury Awards** evening turned out to be an excellent one for Burnside, with many of our members picking up trophies and awards for their bowling achievements in Interclub, Centre, and National events this season.

As the current President of Burnside, receiving the Club of the Year award was a very proud moment for me as I know how many people it takes to run a great club, and how hard you work.

This award is an acknowledgement of all our members who strive to play the best bowls they can, and of every person who contributes by sharing knowledge, or by personal effort to make the Club a great place to be.

Well done, all of you!

## Greenkeeper News

Our new Greenkeeper, Jamey, officially commenced 1 May, and some will have noticed a different appearance to the greens, and you may be wondering why?

Jamey got straight into a winter maintenance programme with a conventional, plus seaweed based, fertilisation of each green.

Following this, the greens were aerated, which entailed the drilling of thousands of small holes to a depth of 60 cm.

Each green has been flooded at least twice during these processes.

The greens in the last week or so have had a dark green appearance, a result of spraying for moss. Today, the boy from Gisborne, learnt about greens covered in frost.

### Why be a volunteer ?

It's not for money, it's not for fame,

And it's not for personal gain.

It's just for the love of your fellow man.

It's just to give a tithe of self.

That's something you cannot buy with wealth.

It's not the medals worn with pride.

It's just for that feeling deep inside.

It's that reward down in your heart.

It's feeling you have been a part of helping others far and near.

That's what makes you a Volunteer!
