President's Message 2021-2022

It is my pleasure to welcome both new and existing members to the 2021-2022 season. This programme book outlines club, Interclub and Centre competitions available to our members. There are bowls for bowlers of all abilities and experience, plenty of choices for everyone. We have experienced and well organised selectors and match committee personnel to assist you. The Programme book includes much information which will be helpful to new and existing members. This is one place you can learn about various roles within the club, how to enter competitions, duty teams, team managers and what they do, Club Championship competitions, uniform, cancellations etc. Our members are known to be helpful and willing to support new bowlers, and each other, so do not be afraid to ask if you wish to know something. Our website www.burnsidebowlingclub.com also has a lot of information.

We encourage members to get coaching as new bowlers, but experienced bowlers can also benefit from coaching sessions to improve their results and enjoyment of the game. Our coaches would be happy to help sort out delivery issues.

We hope you will get involved in the functioning of the club and help where and when you can. Giving some of your time, sharing your skills, working with others, building friendships that may continue for the rest of your life. We appreciate all our volunteers and helpers; they make Burnside Bowling Club a great place to be.

We very much appreciate our sponsors, and they would love to hear from you. When you need a job done, or make a purchase, please consider supporting a sponsor of the club.

Our new Green Keeper, Jamey Ferris, has been working since May to produce great greens, when they are ready, we will be ready!

Enjoy the season, the company, the competitions and keep well.
