Upstairs Kitchen

You will be pleased to hear I am sure the club has received an additional grant to complete the new upstairs kitchen extension.

Generous voluntary help, grant funding, donation of goods, appliance discounts have resulted in huge financial benefits.

A special thank you to all members who have assisted in developing this project at no cost to the club so far

Graham Lowery

Your assistance please

- If you are the last person departing the bowling club would you be good enough to check the "Gate Bolt" is up and secure before shutting and locking the gate. If this is not achieved serious damage to the gate may occur.
- If you have the energy to shift the bench seats to position of your liking during afternoon play > we trust you can find the energy to replace the seat in it's original position when you leave.
