What a Shame !!

As we write not one member of the Mens Section has put his name forward for the position of " Mens Club Captain "

This is a critical position in the club and needs to be filled

You do not need to be the Sheriff > Ross Bell is doing a brilliant job here
You do not need to look after Internal Communication > This has been taken care of

Think about it

Missing > Mislaid > Lost

The club " Portable Whiteboard on Wheels " is missing !!

Can anybody tell us where it might be

If you know where it is please ring Graham Lowery
