NOTE The number of Teams in a Section can only be adjusted as you setup the tournament and cannot be changed once you press **Save and Close**.

- The section(s) and empty team places are displayed.

- Click the **Draw** button followed by the **Create Draw** button.

- The competition games are created and the draw is displayed. Section names appear.

The screenshot shows a software window titled "MENS CHAMPION OF CHAMPIONS" with a "MADE IN JADE" logo. The interface includes a menu bar with "EXIT", "New", "Details", "Teams", "Draw", "Cards", "Results", "Placings", and "Close". A left sidebar contains buttons for "Club", "Members", "Competitions", "Reports", "Treasurer", "Phone List", and "Search List". Below these are navigation arrows and a list of competition types: "2005 Burnside Fives", "Champion of Champic", "Mens Champion of Ch", "Mens World Bowls Sin", "sets knockout", "Sets Playoffs", and "World Bowls Singles -". The main area is a table with columns for "Team", "Game W-L Set W-L Shot F-A", "Round 1 - Two Sets 9 Ends", "Round 2 - Two Sets 9 Ends", "Round 3 - Two Sets 9 Ends", and "Round 4 - Two Sets 9 Ends". Two rows are highlighted in yellow, labeled "SECTION 1" and "SECTION 2". At the bottom, there are buttons for "Delete Item", "Change Rinks OFF", and "Clock".

- Click the **Teams** button followed by the **Create & Enter Teams** button.

This screenshot shows the same software window as above, but with the "Teams" button selected. A dialog box titled "Load Teams from another Competition" is open. It contains the following elements:

- A dropdown menu labeled "(1) Select a Competition".
- A table with columns "Num", "Place", "Wins", and "Team".
- Input fields for "(2) Enter Start Placing" and "(3) Enter End Placing".
- A button labeled "(4) Load Teams".
- A "Close" button at the bottom right of the dialog.

 The background table and sidebar are visible but partially obscured by the dialog box.

- Enter in the team names playing the Country in the Skip column and the player name in the Lead column. Once you are happy with the names click the **Lock in Team** buttons.
- If you want to randomise the teams list then click the **Randomise Teams** button. This can be done several times until you are happy with the order. Now click the **Lock in Teams** button.
- Click the **Close** button.

The screenshot shows a software interface for a bowling tournament. At the top, there are navigation tabs: EXIT, New, Details, Teams, Draw, Cards, Results, Placings, and Close. On the left, there is a sidebar with buttons for Club, Members, Competitions, Reports, Treasurer, Phone List, and Search List. Below the sidebar are navigation arrows and a list of tournament events: 2005 Burnside Fives, Champion of Champions, Mens Champion of Champions, Mens World Bowls Singles knockout, Sets Playoffs, and World Bowls Singles.

The main area is a table with the following columns: Skip, Third, Second, Lead, and Club. The table contains 20 rows of data:

Entering Competition Game Results

- Select the game by clicking on the cell that matches the game. In the example below the game is between **NEW ZEALAND** and **SCOTLAND**.

The screenshot shows a software interface for entering competition game results. The main window has a menu bar with options: EXIT, New, Details, Teams, Draw, Cards, Results, Placings, Close. Below the menu is a table of games. The table has columns: Team, Round 9 - Two Sets 9 Ends (12 Nov 4:30 p.m.), Round 10 - Two Sets 9 Ends (13 Nov 8:30 a.m.), and Round 11 - Two Sets 9 Ends (13 Nov 12:30 p.m.). The 'Teams' column lists various countries like Brazil, Korea, South Africa, Australia, Netherlands, United States, Kenya, Swaziland, New Zealand, Ireland, Botswana, Malaysia, and Scotland. A modal window is open for 'Section 2 Round 9 - Two Sets 9 Ends Laing 5' showing a match between 'NEW ZEALAND' and 'SCOTLAND'. The modal contains a table for scores and totals for each set, and a 'Tie Breaker' section with a score of '1~2'. A 'Cancel' button is on the left and an 'OK' button is on the right. On the right side of the interface, there is a summary table for 'Section 1 Round 9 - 12 Nov 4:30 p.m.' showing 'New Zealand' vs 'Scotland' with columns for 'Score' and 'Total'.

- Type in the **score for Set One** for New Zealand then press **Tab**.
- Type in the **score for Set One** for Scotland then press **Tab**.
- Type in the **score for Set Two** for New Zealand then press **Tab**.
- Type in the **score for Set Two** for Scotland then press **Tab**.
- If the score is tied then a Tie Breaker box is shown. Enter the **Tie Breaker score** and press **Tab**
- Check the numbers are correct then press **Enter**.

If you have made a mistake then click on the text box where the error is and type the number again. Once everything is correct press the Enter key.

At any time, you are able to change the scores by following the steps above and entering the new numbers.

RED = WIN
GREEN = LOSS
YELLOW = DRAW

➤ The games results are displayed.

The screenshot shows a software window titled 'WOMENS CHAMPION OF CHAMPIONS' with a 'MADE IN JADE' logo. The interface includes a menu bar with 'EXIT', 'New', 'Details', 'Teams', 'Draw', 'Cards', 'Results', 'Placings', and 'Close'. On the left, there are buttons for 'Club', 'Members', 'Competitions', 'Reports', 'Treasurer', 'Phone List', and 'Search List'. Below these are navigation arrows and a list of events: '2005 Burnside Fives', 'Champion of Champions', 'Mens World Bowls Singles knockout', 'Sets Playoffs', and 'Womens Champion of World Bowls Singles'. The main area is a table with columns for 'Team', 'Game W-L Set W-L Shot F-A', 'Round 9 - Two Sets 9 Ends 12 Nov 4:30 p.m.', 'Round 10 - Two Sets 9 Ends 13 Nov 8:30 a.m.', and 'Round 11 - Two Sets 9 Ends 13 Nov 12:30 p.m.'. The table contains results for various teams, with some cells highlighted in yellow (draw) or red (win). At the bottom, there are buttons for 'Delete Item', 'Change Rinks OFF', and 'Clock'.

➤ To check the results entered against the cards, first sort the cards into Green and Rink order. Click **Results**, select the round and press the **Check Results** button.

This screenshot is similar to the previous one but with the 'Results' menu open. The menu has a 'Select Round' dropdown set to 'Round 1 - Two Sets 9 Ends 13 Nov 12:30 p.m.' and three buttons: 'Check Results', 'Print Results', and 'Print Results File'. A black arrow points from the text above to the 'Check Results' button. The table below shows the same data as the previous screenshot.

- Call out the results from the cards and check them against the screen. If there are any differences then re enter the results for that game.

WOMENS CHAMPION OF CHAMPIONS

MADE IN JADE

- To **Find a Team** click on the left most column and enter a Team name. Click the **Find Team** button.

The screenshot shows a software interface for a bowling tournament. A dialog box titled "Enter Team Names" is open, allowing the user to search for a team. The "Team Name" field contains "Fiji". Below the search field is a "Find Team" button, which is highlighted with an arrow from the instruction above. The dialog also includes a "Save and Close" button and a "Close" button. The background shows a tournament table with columns for "Ends", "Round 2 - Two Sets 7 Ends", "Round 3 - Two Sets 9 Ends", and "Round 4 - Two Sets 9 Ends". The table lists various teams and their bowlers, including Israel, Wales, Hong Kong China, England, Fiji, Thailand, Canada, PapuaNewGuinea, Spain, Norfolk Island, Brazil, Jersey, Wales, Spain, and New Zealand.

If the Team can be found the table will display the Team on the top row.

Loading Teams From Other Tournaments

- To load teams from another Tournament first setup the new Tournament. For example the Play Offs

The screenshot shows the 'New' tournament setup interface. The competition name is 'Play Offs' and the type is 'SetsPlayOff'. The number of teams is set to 12, with 1 section and 1 round. The top placing is 9, and there are 9 ends in each set with 3 tie breaker ends. The scoring method is 'Points Ends Differential'. The names of the greens are 'Davie' and 'Laing'. A 'Save and Close' button is visible at the bottom.

Then click the **Teams** button and select the other Tournament from the list. Enter the Start and End Placings and click the **Load Teams** button

The screenshot shows the 'Teams' loading dialog box. It prompts the user to select a competition, which is 'Champion of Champions'. A table lists 17 teams with their respective placements and wins. The start and end placings are entered as 9 and 20. The 'Load Teams' button is highlighted.

Num	Place	Wins	Team
7	7th	2	Korea
8	8th	2	Swaziland
9	9th	2	Scotland
10	10th	2	Ireland

13	13th	1	Australia
14	14th	1	Jersey
15	15th	1	Netherlands
16	16th	1	Kenya
17	17th	1	Fiji

Then click **Draw** followed by the **Create Draw** button.

The screenshot shows a software interface for 'PLAY OFFS'. At the top, there are tabs: EXIT, New, Details, Teams, Draw, Cards, Results, Placings, and Close. A 'Draw' dialog box is open, featuring a 'Do not assign Greens?' checkbox, a 'Create Draw' button with a warning icon, and a 'Select Rounds' section with 'From' and 'To' dropdown menus. Below these are buttons for 'Select All', 'Print Draw', 'Print Team Sheets', and 'Close'. The background interface includes a table of teams and rounds, a search list, and navigation buttons like 'Delete Item', 'Change Rinks OFF', and 'Clock'. A 'MADE IN JADE' logo is visible in the bottom right corner.

Running a Knockout Tournament

These tournaments are setup the same as the other types and can have teams loaded into them from other tournaments. The major difference is draw and results print out.

(1) Setup the tournament (Number of Teams must be 4, 8 or multiple of 16)

The screenshot shows the 'Details' tab of the World Bowls software. The main form contains the following fields and options:

- EXIT** (red button)
- Navigation buttons: **New**, **Details** (selected), **Teams**, **Draw**, **Cards**, **Results**, **Placings**, **Close** (red button)
- Club** (button)
- What is the Name of this competition?
- What are the Conditions of Play?
- What type of Competition is this? **SetsKnockOut** (dropdown)
- Maximum 22 Teams per Section
Maximum 99 Sections
Maximum 20 Rounds
- How many Teams?
- How many Sections?
- How many Rounds in the Section play?
- How many Ends in each Set? Tie Breaker Ends?
- Time Limit: Hours Minutes
- How do you want to calculate Team Placings?
 - Points Ends Differential
 - Points Differential End
- What are the names of the greens?
- Save and Close** (button)

On the right side, there is a table with the following data:

Section	Teams	Green	Leader
1	8		

At the bottom of the interface, there is a **WORLD BOWLS** logo and a **MADE IN JADE** logo.

(2) Load the teams from another tournament.

The screenshot shows the 'Load Teams from another Competition' dialog box. It includes a table with the following data:

Num	Place	Wins	Team
1	1st	3	Samoa
2	2nd	3	Botswana
3	3rd	3	Israel
4	4th	3	United States
5	5th	3	Canada
6	6th	2	South Africa
7	7th	2	Korea
8	8th	2	Swaziland
9	9th	2	Scotland
10	10th	2	Ireland
11	11th	2	Thailand

Below the table, there are input fields for 'Enter Start Placing' (set to 1) and 'Enter End Placing' (set to 8). A 'Load Teams' button is highlighted at the bottom of the dialog.

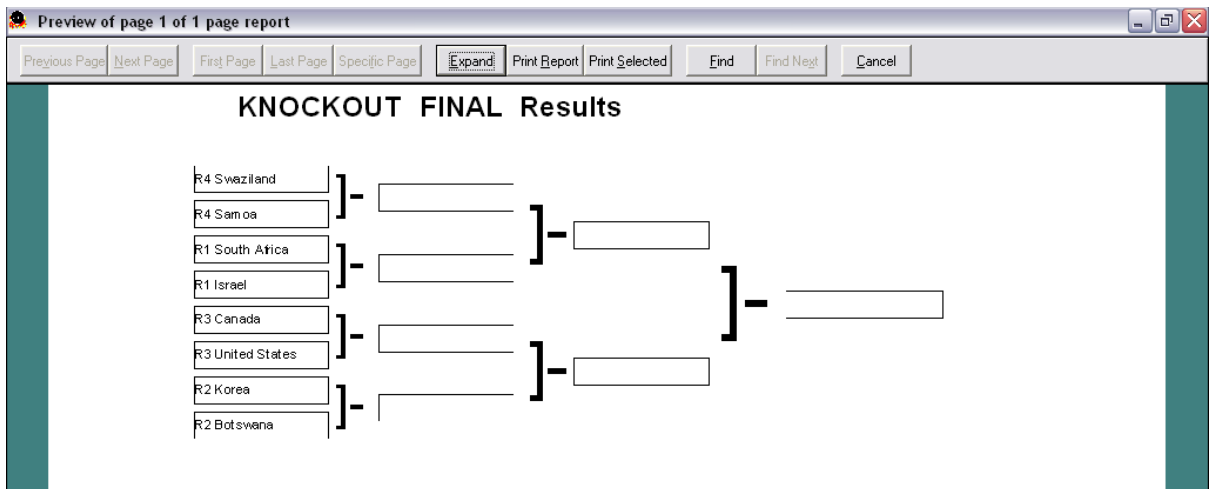

(3) Create the draw and print it out using the **Print Results** button. Print Cards.

The screenshot shows the 'Draw' screen with a match grid. A context menu is open over the grid, showing the following options:

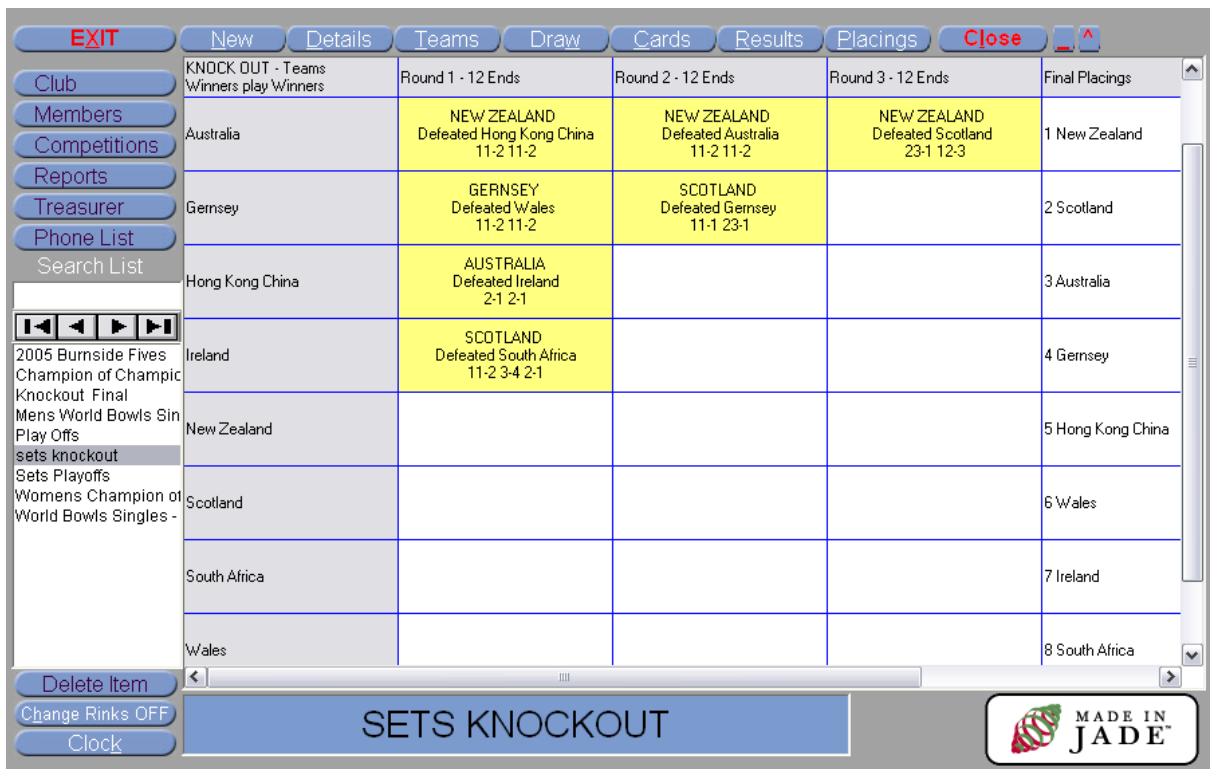

- Check Results
- Print Results
- Print Results File
- Close

The match grid shows the following matches:

Team	Match	Round 1 - 9 Ends	Round 2 - 9 Ends	Round 4 - 9 Ends
Botswana	Swaziland vs Samoa Laing 4			
Canada	Canada vs United States Laing 3			
Israel	South Africa vs Israel Laing 1			
Korea	Korea vs Botswana Laing 2			
Samoa				
South Africa				
Swaziland				

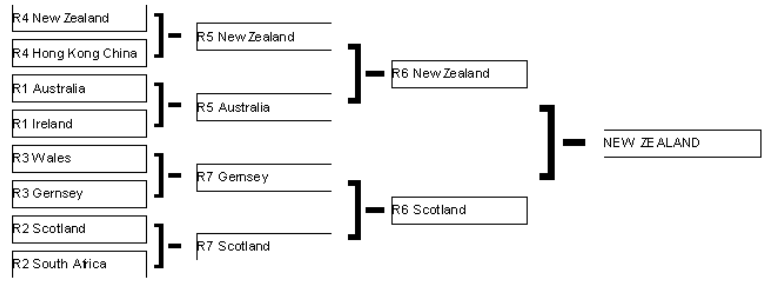

Note that the top teams from the previous tournament are given a BYE in Round One. You may now print the cards which will only print for the uncompleted games.

(4) The final round results are shown below.

SETS KNOCKOUT Results

Tournament Types

The Qualifying Rounds of the World Bowls Tournament should be of type **SetsTwo**. This allows for a limited number of teams per section (Max 22). Greens are changed after three rounds. After the 11 rounds the teams can be moved to either the Play Offs of type **SetsPlayOff** or the knock out round which is of type **SetsKnockOut**

When adding the teams into the knock out round place them as follows.

Note This must be done manually

- 1 Position One of Section One
- 2 Position One of Section Two
- 3 Position Two of Section One
- 4 Position Two of Section Two
- 5 Position Three of Section One
- 6 Position Three of Section Two
- 7 Position Four of Section One
- 8 Position Four of Section Two

The games created are :

1 v 8 2 v 7 3 v 6 4 v 5

Adding New Users

- Click the **Club** button followed by the **Add Users** button.

The screenshot shows the 'World Bowls' management interface. At the top, there are navigation buttons: EXIT, Save, Roles, Fees, Awards, Seasons, and Close. On the left, a vertical menu contains buttons for Club, Members, Competitions, Reports, Treasurer, and Phone List. The main area displays club details: Name (World Bowls), Address (1 Hill Street), Phone (44 1475 635 915), and Fax (44 1475 638 552). Below this is a 'Current Season' dropdown set to 2005 and a statistics table.

FTP Details

FTP Address

Check with your website provider for the address to be used when uploading files via FTP to your website. For example

<ftp.worldbowlsltd.co.uk>

FTP Public Directory

You must also enter a valid public directory which is where the files are sent to your website. You must create a directory with the same name as the Competition name. This is where the results files will be uploaded to.

FTP User Name and Password

You must also enter a FTP user name and password. Once again check with your website provider for this information. The password must be entered twice and if they differ then you will be asked to retype them again.

Once all the details have been entered press the **Save and Close** button.

Website File Creation

- Once the round has completed click the **Results** button and select the Round to process.
