Burnside v Elmwood

Burnside 160 points Elmwood 130 points

Elmwood always provide strong opposition therefore Burnside can feel justly proud at such a healthy victory this afternoon.. Well done Burnside

Gordon and Judith Watson with help from Rosalie Oliver, Rhonda Reid, Robert Clark and Jim Walker did a great job hosting about 40 staff from BDO accounting firm this afternoon. The visitors played a fun tournament, had a few drinks, had a catered afternoon tea, enjoyed themselves and contributed a significant amount to Club funds. Judith and Gordon together with their band of volunteers have achieved a great deal for the Club in public relations, bowls awareness and fundraising over the whole season by organising corporate bowls - in total over 750 visitors to the Club. Congratulations and well done to everyone involved.

Men's Handicap Singles and Pairs 2014 Results

Congratulations to Dave Straker who won the Handicap Singles Final on Wednesday night in an excellent game against Chris Iggo. Other semi finalists were Graham Tate and Len Seear.

In the Handicap Pairs Final, on an adjacent rink, Bruce Wakefield and Mike Murphy prevailed in an always interesting game against John Switalla and Brian Clarkson. Other semi finalists were Lloyd Ewan/Ron Boyce and John Reese/Keith Ovens.

There were some great shots played in these two finals as there were throughout each of the events. Thanks to all who entered and played the games in fine spirit.

This contribution to our Hot Line is from Ken Wilson - Pyne
