Burnside Bowling Club AGM Sunday 25th June

Approx 80 members attended a very successful AGM on Sunday where the results for the last financial year and the budget for the 2017/18 season were accepted and approved.

This past year has been a challenge in many respects and to find the financial results to be a such a strong position after so much has been achieved is gratifying to all.

A remit from Mike Small was presented to the meeting for the Men's and Women's Championship Fours be changed from "entered teams" to "drawn teams" for the 2017/18 season

This remit is aimed to encourage a wider range of members to be involved in the Championship Fours

A wide range of opinions were expressed both for and against the remit

Following a ballot the format of the Championship Fours for Men and Women for the 2017 /18 season will be **Drawn teams**

We are all very pleased to welcome the new executive for the 2017/ 18 year
