Match Committee News

As the upcoming season rapidly draws near the Match Committee have worked hard to create a suitable programme for everyone to enjoy. Entry sheets for a variety of Club Championships are now on the notice boards in the respective match rooms. Who is going to be first to get their names in?

When establishing a Club programme we always must plan our programme alongside the Centre programme to ensure there are minimal or no clashes. This is always a challenge. **Two important changes** for this season's competitions is that we will be holding **two rounds of the Men's and Ladies Championship Fours on Sunday 26 November 2017**. Also for the **men** there will be **two rounds of Club Championship Triples on Sunday 25 February 2018**. It will be great to see our wonderful club facilities in use on those two Sundays. Please ensure that you will be available for those days when you enter the events.
