

Hot Line No 2

How fortunate we are ?

Displayed at the AGM was a list showing what has happened at Burnside during the 2016/17 year in terms of upgrades / improvements and new equipment purchased

The list is significant resulting in my thought we should all be aware and not take for granted the direction and initiative taken by President Alan Bryce and the team at Burnside Bowls who have collectively made this happen

Their are 22 individual items involved in this massive project

1	The Lift installation is complete
2	A Bottle shoot in the bar has been installed
3	A new very smart user friendly Till has been installed in the lounge bar
4	A new computer in the admin office plus an updated computer screen`
5	New sliding window in the Admin office for tournament use
6	New lap top for coaching
7	New video camera for coaching
8	New curtains for dining room, offices ,women's locker room
9	New kitchen trolley
10	Extractor fan installed in men's toilets
11	New blinds for dining room and lounge
12	Replaced glass windows north end of dining room
13	Lounge roof repaired
14	New bowls trolley
15	12 sets of training bowls purchased plus 9 more sets on order
16	Outside walls of lounge have been painted /lounge spauting replaced
17	Magnificant Trophy cabinet thanks to John Lindsay and John Church`
18	Two new urns have been purchased
19	New Sponsors boards
20	Newly painted car park signs
21	Gibbed and repainted lounge
22	The painting of the lounge roof has been delayed until the spring [Weather

Also of significance is the fact Burnside received \$64,314 in grants this past season

Stay warm and look forward to seeing you all soon
