

# Hot Line Number 5 - 26 July 2017

## New Hot Line

You are now looking at the upgraded Hot Line format.

This format presents a new focus, a consistent and standardized layout plus of course the extended opportunity to communicate items of interest and news.

Our Sponsors names are spread over 5 individual layouts with each layout to be used in rotation.

The target is for a One Page Hot Line to be distributed each Wednesday with concise contributions for the Hot Line being required by Mort on Tuesday .

## People

Two of our unsung heroes are at it again, AJ and Ken Reid.

AJ has been working on this new layout for the Hot Line. Not only does the layout remove clutter etc it is built in such way as to ensure members can take over the Hot Line without fuss or training. It is brilliant and fantastic for the future.

Once again Ken is building next season's programme booklet which is a massive job. Ken started this project in January of this year. Thank you Ken from all of us at Burnside.
