The scam points you in order to receive the refund is to provide your Credit / Debit Card details by clicking on a link in the email. What to look out for if you receive this email – Check the receiving email address – if it does not end as ird.govt.nz then delete the email immediately. If in any doubt then hit the delete button. Bowls Canterbury Fives

Bowls Canterbury is running a Fives tournament from December 7 – 9. There will be separate men's and women's tournaments. Notices regarding entry details to be found in both match-rooms.

Club Championships

Skips are asked to put their teams' members names on the appropriate lists in the match-rooms. To assist with Fours regulation to have a "8 year and under" player in each team a list of all those that fall into this category has been listed on match-room notice boards. Additionally, if you have not been approached regarding a championship team (Pairs, Triples & Fours) then put your name on the "Want a Game" form to indicate you are available and would like to play.
