Clubrooms maintenance

We intend to paint the Pavilion walls (downstairs only) at the end of the season. We would like to water blast the walls in the week after Easter and are looking for any members with a water blaster who could help or could lend it to let the job be done.

The week after that we need a team of workers who can wield a roller to paint the concrete block walls. If you can help with either task please contact Don Lyall on 3581115 or dizzilyall@gmail.com.

From the Editor's desk

Parents and schools should place great emphasis on the idea that it is all right to be different. Racism and all the other 'isms' grow from primitive tribalism, the instinctive hostility against those of another tribe, race, religion, nationality, class or whatever. You are a lucky child if your parents taught you to accept diversity.
