Shirts

As we have now finalized the design for the new Burnside Club shirts, we need to know your size. A **separate email** with an attached survey will be sent to you in the next 24 hours. Please respond **promptly** to this survey stating your shirt size. The survey must be filled in by each Playing member. Thanks to a grant from **Pub Charity** there will be no charge for your 1st shirt. The Shirt project team would like to thank Matt Small, Ross Bell, Shirley Clark and many others who have contributed to the design of the shirt.
