## Match Committee

The draw for the mixed pairs is up, 12 teams will battle it out on Labour day for 4 spots in the semi-finals. Matches start at 9am start, 3 games of 16 ends.

The draws for the Men's club singles and pairs will be up by Thursday night. With 42 entries in both, they will be very busy competitions. Members are encouraged to play their games early and there is a requirement to have the first couple of rounds completed by Show weekend. The Friday of Show weekend is set aside for anyone that hasn't completed the required rounds.

The draw for the Men's Colt singles will be done next week.

## Selectors

With inter club underway, it is important to check if you are in a team that you have indicated you were interested in playing. If you marked your sheet back in September to play on a given day, then there is a 97% chance that you will be playing. Therefore, it is very important to tick your name on the sheet listed in the match room. For Men's and Under 5's competitions this can also be done on line. Team captains will follow up a day or two before you are due to play, but please help them out by doing your bit. We have already defaulted a game because the players did not turn up.'

The club has reluctantly withdrawn the Mixed 10's team from the competition due to the non-availability of women to complete the team. This competition is one that we have had great success over the years when it was played in the evenings after the new year. The change to a pre-Christmas event and the accompanying cooler evenings is the reason for our lady's reluctance to play.
