

Nationals

To all members who are competing in the Nationals we send our best wishes for success out on the greens.

To the other members who have volunteered for Marking (all 40 of you), Bar Duty, Line Marking, and the multitude of other tasks the executive thank-you for ensuring Burnside's reputation for the best club around continues.

To those of you Marking you will receive a copy of the roster tomorrow. A copy will also be listed in both the Men's and Ladies match rooms. Make sure you are aware of the day and times you are required. Robert Clark is now in charge of Markers so please have his number handy. It will make his life easier if you report for duty at the allocated times on your rostered day/s.

Greens availability over holiday period

A green will be available each day from December 25 to January 1. The green will be rolled each day except Christmas Day and Boxing Day. From January 2 up to and including January 6 ALL greens will be unavailable to club members for the National Singles and Pairs championships. A green will be available to members after 6pm on these days.

Centre Success

Congratulations to Tayla Bruce and Cait Basset who have reached the finals of the Centre Women's Open Pairs. The Final will be played on Finals day on the weekend February 1 – 2 at the New Brighton Bowling Club.

Match Committee

The following game is significantly behind schedule in the Men's singles and will be scratched if the game is not completed or a default recorded by the January 1 - Mike Brereton vs Robin Howman. A number of other games in the Men's pairs and singles remain behind schedule. Namely rounds that were due to have been played by December 8 and December 15. These games need to be played with urgency. Thanks to all those who have been pro-active in their club champ matches and a merry Christmas to all.

Club Shirts

Extra shirts are soon to be available at cost of \$50. Member wanting an extra shirt will need to put their name and size on the list in the Men's match room.

Season's Greetings

It is time for celebration and gatherings. We wish that you spend your time meaningfully with people closest to your heart. Have a very merry Christmas and a prosperous new year. See you back on the greens in the new year.
