Interclub this weekend

Team captains of inter club teams are reminded of their responsibilities. It is the team captain's responsibility to ensure all of the players in their team/s have ticked their name by 5.00pm on Thursday for Saturday play.

For mid-week games at least 2 days before play. Secondly, the team captain needs to fill in two playing cards with the team members names inserted, (one of which is for the visiting team to take away with them). This coming week our 'Home' games will all be played at Fendalton, so the team captains will need to complete two cards to take with you to Fendalton. Finally, the team captain is responsible for returning the team card to the pool table or plastic container in match room. Your visiting teams have all been advised that they will be playing at Fendalton instead of Burnside because of the invitation pairs. Please remember to thank Fendalton for the use of their facilities.

Bar EFTPOS receipts

Would persons serving behind the Bar please note there is a new system in place for handling the Merchant copy of the Eftpos Dockets - they are now to be placed on a spike which is located on top of the Till Drawer adjacent to the Eftpos machine.

Your assistance would be greatly appreciated.

Match Committee

The following game is significantly behind schedule in the Men's singles and will be scratched if the game is not completed or a default recorded by the 22nd January. - Ross Bell vs Barry Bunting.

The Draw for the Morrison Cup Singles is on the Men's match room wall. You are automatically entered into the Morrison cup if you lost both of your first round Men's club singles games that you played. If you don't wish to play in the Morrison cup, please complete a game card saying that you default so those that are interested can play.

Entry form for the Men's Handicap Singles and Pairs is on the Men's match room wall. Thoughts are that this will be played late Feb and March after other club competitions have finished.
