## Blind Bowls Director wanted

"I am writing on behalf of Tom Boyd, a very keen blind bowler and member of our Club.

Tom has been without a regular director since Christmas when circumstances between he and his previous director changed. He competed in his section at the nationals in January with the writer as his aid. While happy enough with the results of our combined efforts it was clear Tom needed more time with his director than I was able to afford him.

Tom has a couple of significant (National) blind bowls competitions coming up later in the year and would dearly like to partner up with a new director sooner rather than later.

His question is, is there a member of our Club who has the time and energy to devote to Tom and his immediate bowling career.? I assure you it is very rewarding but requires more time than I have available.

A training video is available, and assistance to get 'you' started is offered by yours truly.

If you are interested and or available ring Tom on 0273501045 in the first instance.

Thanks Barry Bunting"

## Recycling in Yellow Bins

As you probably know the City Council is having a drive to educate households as to the correct use of their roadside collection bins.

Unfortunately, we have been guilty at times of having placed wrong items in our "yellow" bins. So, please, if you are putting items in our roadside bins be sure to put them in the correct bin. This will ensure that we get awarded only "stars" from inspectors of bins, rather than their refusal to empty our bins.

## Platinum anniversary

Congratulations to Keith McFarlane for celebrating his 70<sup>th</sup> year of bowls. Keith started his bowling career at Waipiata and arrived at Burnside in 1988 by way of Allenton, Hampstead, Methven, Amberley and a few more in between. Platinum is precious, strong, enduring and doesn't tarnish – all qualities that Keith processes.
