

Corona Virus – Covid-19

As of 2pm today the country is in stage 3 of the 1 – 4 Alert system that the Prime Minister made us aware of on Saturday. This Alert stage will increase to 4 at 11.59pm Wednesday night. This latter stage is based on ELIMINATE and comes with very tough conditions:

- People instructed to stay at home
- Educational facilities closed
- Businesses closed except for essential services (e.g., supermarkets, pharmacies, clinics) and lifeline utilities
- Rationing of supplies and requisitioning of facilities
- Travel severely restricted
- Major reprioritisation of healthcare services

As a result of this current Alert level the Burnside club **greens, facilities and bar are CLOSED** until further notice.

Stay at home people – but stay connected. We ALL need to be vigilant in our response to Covid-19 and the spread into our communities. We have a number in our bowls community that live alone and/or are isolated from their family and friends due to Covid-19. Please, pick up the phone, connect by email or Facebook – look out for your fellow bowlers.

Remember your hygiene etiquette – Cover your mouth with a hankie or tissue when you sneeze, cough into your elbow, practice the 20 second hand wash and keep your social distance (2m).

If you require help in picking up supplies etc and cannot get out from your home over the next few days, then Isaac and Rebecca Denny are available to assist you – Give them a ring on 021 02739100.

“What I love most about staying home to self – isolate is who I get to share it with”

We are all in this together and together we will beat this!
