

## Covid-19

The authorities finally saw logic to allow Greenkeepers to return to work to tend to their greens. Glen was back on the task yesterday and reports "all good". Unfortunately this exemption only applies to greenkeepers tending the greens and a BIG NO to anyone else - stay home.

## AGM

At this time, we are unsure if we will be able to hold our AGM on the scheduled date, Sunday, 21 June 2020 but we will update you as necessary.

In the meantime, we need to prepare for an AGM, and hope that we are out and about in June/July.

Normally at this time of year, before the season ends, we would be looking to our members and asking if they would be available to stand on the Executive for the 2020-2021 season. As you know, this year is very different, therefore we need to find a different way of reaching our objectives.

### What do the Executive do?

Aside from attending our monthly meetings, each Executive member is allocated an area of club activity, and expected to liaise with those who cover or perform the various activities around the club, check in with Convenors to report back to the Executive team if there are any issues to be addressed or good news to share. The Executive team oversee the governance of the club, making group decisions to ensure the smooth running of all club activities and looking after the interests of club members.

**If you are interested in joining the Executive team, please get in touch with Brenda, by phone or email the Club.**

**Brenda's Phone:** 351 2638 or 0274 855 622

**Email:** [theclub@burnsidebowlingclub.com](mailto:theclub@burnsidebowlingclub.com)

**We also need people to take on other responsibilities to support club activities and functions.**

If there is any area you would like to be involved with, please let Brenda know that too. See the list in the front of the Programme Book, page 3-4.
