

## CONVID-19 Alert Level 1

Take a bow everyone – we have made it this far. Enjoy the more relaxed rules in the lounge BUT no dancing on the tables in celebration!!

## Indoor Bowls

Now that we are at Covid-19 Level 1, we intend to start indoor bowls this coming **Friday 12 June at 1:00 pm**. During Winter, indoor bowls will be played each Monday, Wednesday, and Friday, unless dining hall bookings conflict with this (we will advise you).

For those members that have not played indoors at Burnside before, we have 3 rinks in the dining hall, and we play with full-sized (outdoor) bowls. We have a cup of tea or coffee part way through and play usually finishes around 4:00 pm.

Attendance is casual - just turn up shortly before 1:00 pm and place your name tag on the table in the men's match room, ready for the draw at 1:00 pm. Games format (pairs, triples etc) will depend on numbers on the day.

Please note that for those that want to use club bowls, we are recommending that these be sanitised before and after use, so you may want to bring a cloth.

## Bowler's Ten Commandments

1. They shall not covet thy opposition's draw shot nor his yard-on shot
2. Cast not your lighted butts upon the bank nor upon the green
3. Thou shalt not squeal
4. Thou shalt not ridicule thy brother's wrong bias
5. Honour thy bowls secretary and thy selectors
6. Thou shalt not take the name of your Skip in vain
7. Thou shalt not with thy tongue punish the ear of thine adversary
8. Thou shalt not drag thy feet upon the green
9. Thou shalt not with thy presence clutter the head, while your bothers, the Thirds, deliberate thereon
10. Thou shalt not keep thy fellow players waiting

AMEN

## Umpire's Corner

### Question (xxiv)

What happens when the jack is displaced by a bowl which has been played on an adjoining rink?

Answer

The jack should be put back to its former position. If the skips cannot agree on the jack's former position the end should be declared dead. (Law 38.3.3)

### Question (xxv)

What action should be taken if a toucher, during its original course, hits the face of the bank rebounds onto the green and disturbs the head?
