

Hot Line Number 149 - 2 July 2020

Executive & Non-Executive positions & responsibilities

Below is the list of the Executive Liaison roles agreed at the Executive meeting, and a list of the people in Non-Executive roles who were appointed at the first Executive Meeting on 24 June.

It takes lots of volunteers to assist us with the general business of running the club, and we are grateful to each of you for your effort. We have wonderful volunteers for almost all the other important roles (i.e. the ones on page 3 of our 2019-2020 Programme Book) We are looking for a special person to become the **Garden Convenor**.

While we have names of people willing to help with gardens, we need someone who is a good organiser, to oversee the group and plan the required activity to make our gardens attractive.

If you are interested, please let Brenda Turner know – phone: 0274 855 622 or email ollieandbrenda@xtra.co.nz

Umpire's Corner

Question (xxvii)

The lead of team 'A' places the mat, delivers and centres the jack and delivers the first bowl. On stepping onto the mat to deliver the next bowl, the lead of team 'B' notices that the mat has been set at less than 2 metres from the rear ditch so calls for an umpire. What action does the umpire take?

Answer

No action should be taken as no-one can challenge the legality of the original distance of the mat line from the rear and front ditches after the first bowl has been delivered. (Law6.1.4)
(Not to be confused with an off-centre mat which should always be centred)

Question (xxiii)

While carrying out a measure, the marker accidentally knocks over a bowl which is lying at an angle when lining up the pointer of the tape measure with the nearest point of the bowl. What should happen?

Bowls Canterbury 2020/2021 Playing programme

The full playing programme can be viewed on the Bowls Canterbury website
www.bowlscanterbury.co.nz

About the new season programme:

Many of our members were concerned when the 2020-2021 Bowls Canterbury programme was released and it became clear that there had been an unexpected change in the time of **pre-Christmas Saturday** interclub games, with the men playing in the afternoon 1.30pm start and the women playing in the morning, 9.00am.

The changes will affect us at Burnside and our issues have been raised with Bowls Canterbury by letter and discussed at length in a meeting.

Bowls Canterbury response: It is 'a trial' and 'only for 5 weeks' before Christmas, and no changes to the programme are planned.
