

Bar Duty

The roster for the coming week is as follows:

Monday 27 July, 4.00 to 6.00 pm - John Hay

Saturday 1 August, 4.00 to 6.30 pm - Peter Quinn

Trophy Presentations

This will take place in the lounge on **Saturday 8 August from 4.30pm**. These are the trophies that would have been presented in April. We hope that even if you personally did not win a trophy, you will come along to support those who did, and catch up with friends.

An interesting piece of information about the trophies – last year we used toothpaste to make them nice and shiny. It worked so well, was kind on the hands, smelled sweet and fresh, so it will be used again this year. Thanks to Estelle Jarvis for the great tip.

Fives Tournament

This tournament has not been held for the last two years and this year the programme for early December is very busy again with tournaments and interclub. The Executive regret that the Fives Tournament will not proceed this year either and thank Andy Cockroft who was willing to run the tournament.

Umpire's Corner

Question (xxx)

The lead in team 'A' delivers the jack. When it comes to rest the skip of team 'B' thinks that it is less than 23 metres from the mat line so calls for the umpire. When checking the position of the mat the umpire finds that the mat is only 1.8 metres from the rear ditch. What should happen?

Answer

The lead in team 'B' should place the mat in line with Law 6.1.1, re-deliver the jack and make sure it is centred. The lead in team 'A' should then deliver the first bowl. (Law 6.1.3)

NB – this only applies BEFORE the first BOWL is delivered. After that, a mat less than 2 metres from the rear ditch CANNOT be challenged.

NBB – the jack should always be centred by the player who delivered it – even if he/she is not the first to play.

Question (xxx)

Player 'A' drives at a bowl in an attempt to remove it from the head. The player's bowl strikes the target bowl – the target bowl then hits the marker on the foot. What should happen?
