About the Greens:

At this time of year, the greens are soft and easily damaged. The greens will not be available until 12th September at the earliest, but this is dependent on weather and ground conditions. So, even if you think the sun is shining, the greens look perfect and ready for play, please be patient and wait until we get the word that it's ok. We will notify you when it is time!

Our website www.burnsidebowlingclub.com has a section on the left of the Home page – **GREEN STATUS**. If you click on this it will show you if the green is OPEN or CLOSED. At the moment it is -

GREENS CLOSED.

Club Hats and Caps:

We have ordered some black brimmed hats (\$20) and caps (\$15) with the Burnside logo. They should arrive in the next week or two and we will notify you when they are available for purchase. They should look good with our new club shirts and black pants.

Flyer Delivery

Burnside is hosting three Open Days to showcase our Club and to try and attract new members: Sunday 20 September, Wednesday 23 September and Sunday 27 September. Flyers to promote these days need to be delivered to letterboxes in the wider neighbouring suburbs around the Club. Your help is needed please and will be much appreciated. It is great exercise and a good way to explore your neighbourhood! Delivery packs (flyers plus a map showing the specific delivery area) will be available on Saturday 5 September at the Opening Day function. Get in quickly and choose your favourite delivery area. If you have any queries, please contact Kerrie Bruce.
