

U26 Report

The recent Burnside U26 Singles tournament was a great success - fine weather, some really top bowling, scores of much appreciated volunteers, and lots of happy spectators.

There is a large group of people to be acknowledged for their time and good work:

· The wonderful U26 committee for all they do and for all the support they give me - Alan Bryce, Ken Reid, Arjan van Hasselt, Hamish Wilson, and Ken Wilson-Pyne.

- The multitude of markers
- David Conroy and his team of umpires
- Bar workers
- BBQ workers
- Greens preparation men
- Kitchen helpers
- People like Don Lyall and Alistair Salt who helped behind the scenes with important tasks.

As always, we receive a lot of positive feedback from players and spectators about their time at Burnside. In an email yesterday, a player's parent from out of town said she was "blown away again" by our hospitality and by the army of volunteers.

Thank you all so much. Kerrie Bruce

Editor – And a big thank you to the U26 maestro, Kerrie. Take a bow. Another well lead tournament.

Open Days

Thank you to everyone who helped with the three open days, either with flyer delivery or with hosting. The three mornings were steady with some very interested visitors but the afternoons

2020 Open Days

were surprisingly quiet. We have had two new members join up, after attending an open day. Some more prospective members will be attending Tuesday night coaching before making a decision.

How did attendees find out about our open day?

“What does building a head mean?”, “Why does the skip want me to play that hand?”

The coaching team of Pat, Pam, Graeme, and Tayla, plus a few extras, Mike Small and Kevin Gore have put together a Bowls Tactics coaching session aimed at all level of bowlers and will answer these questions for you.

We will start at 5.30pm Tuesday 13th Oct and run them on each Tuesday and we will also hold sessions at 10.00am on Thursday 15th Oct and in that time slot for a couple of weeks as well.

Umpire's corner

Question (xxxix)

During a Fours game, after the leads have delivered their bowls, the second in team 'A' delivers the first of their two bowls. The skip in team 'B', on noticing that the second in team 'A' has played out of turn, stops the bowl. Has skip 'B' acted correctly?

Answer

The skip in team 'B' has acted correctly. The bowl should be returned to be played in the correct order. (Law 29.1.1)

Question (xxxx)

During a singles game player 'A', who is preparing to deliver a bowl, calls to the marker "Am I holding shot?" The marker replies "Yes, you are holding three shots". Is this the correct procedure on the part of:-

- a) The player?
- b) The marker?
