## Bar News

### Summer Bar Roster

The Bar Roster for the summer can now be viewed on the Club's website Home Page. Would bar volunteers kindly check for when you are scheduled to be on. As usual, a reminder email will be sent out a week in advance to those on the following week's roster as well as a mention being made in Hot Line news.

Copies of the Roster have been posted on Club Notice Boards and in the bar. This summer we are rostering two members on each Saturday and one person to cover the Wednesday Mid-Week Triples Tournaments.

Thanks in advance to all our bar volunteers, your efforts are much appreciated.

### Changes to our bar offerings

Due to low volume sales of keg cider, we have replaced this product with Magners bottled cider, which is an imported cider claimed by cider drinkers to be of excellent taste and quality.

We have introduced Lion Brown draught to our range of keg beers which is proving quite popular. Also due to member feedback, we have now included a Rose' wine in our selection of wines.

### **All Blacks versus Wallabies**

A group of enthusiastic members watched last Sunday's test match in the Club's Lounge. The lounge/bar will be open again this coming Sunday the 18th, for the second test, from 3.00 pm. You are welcome to bring a friend(s) and your own nibbles.

### **Umpire's corner**

#### **Question (xxxx)**

During a singles game player 'A', who is preparing to deliver a bowl, calls to the marker "Am I holding shot?" The marker replies "Yes, you are holding three shots". Is this the correct procedure on the part of:-

- a) The player?
- b) The marker?

#### **Answer**

- a) Yes
- b) Yes (Law 42.2.5)

This is open to debate but has been clarified by Bowls NZ. Markers must only answer the question asked but can pre-empt further questions on the same situation to save time and maintain the flow of the game.

#### **Question (xxxxi)**

During the course of an end the players realise that the mat is not on the centre line of the rink. When positioning the mat to start the end the lead had aligned it with the support for the scoreboard instead of the centre -of-rink marker. What should happen?

### **Interclub - Mixed 10's Thursday evenings**

The Club would like to enter a team in the Mixed 10's Competition on a Thursday evening, (starts 29<sup>th</sup> October) but only 6 (1 male 5 female) of you have indicated a willingness or a desire to play on a Thursday evening. Perhaps your circumstances have changed, and you would now like to be considered for inclusion in the 10's team. If that is the case, please notify your availability to Barry Bunting (Mid-Week Selector) at the Club this weekend or on his mobile phone 021895063 **by noon on Monday**.
