- We will have a training session on using the AED (defibrillator) and CPR in the near future – more details to come.
- If you get the chance to help out with Corporate Bowls events, say 'yes' as it's a lot of fun. Let Philippa Johnston or Alan Bryce know if you want to be involved

Interclub

Our interclub got under way on Monday this week with the over 60's double pairs. They started early because of Labour weekend and the remainder of disciplines will commence next week.

As a reminder we should all remember that as individuals we are representing our club and as such it is up to us to prepare as well as we can. That means we should be practicing and we have extremely good and dedicated coaches that may be able to identify any on green issues.

Team captains are shown in red on the team sheets and it is your responsibility to ensure that your entire team has ticked their name and are available, travel arrangements are confirmed etc. When you are playing at Burnside team captains are to prepare sufficient cards for your entire team and also cards for the visiting teams. Therefore 3x4's need 6 cards and 2x4's, 4 cards.

At the end of play the captain collects the cards and places them on the pool table in the lounge for weekend play and attached to the team sheet in the match room for mid-week play.

Remember that all players are to wear the new uniform and of course our new hats complete the good image that we should be portraying on the greens for interclub.

Finally, if you are unavailable on a future date please note your name, date and the event on the sheet in the match room. If the team sheet has gone up or you are within a week of the playing date, please contact Mike Small on 027 671 2213 ASAP. Replacements need to be found and this is sometimes difficult.

Have a successful interclub season.

Mixed 10's

A decision was made to withdraw the Mixed 10's team from the Centre competition played on Thursday evenings. We did have the required number of ladies (even though some were involved in both mixed 10's and Under 5's played the same evening). However apart from Bruce Wakefield, our men have not enrolled for this event. Barry Bunting tried in vain to 'draft' further interest, but there were no takers on last week's hotline search for further recruits. I know in the past many players who have participated in the mixed 10's, have found the pre-Christmas evenings often affected by the cold easterly wind. These men especially are getting older and some have even broken down.

Bowls 3 Fives

Started tonight. Can be followed twice a week from now till 9 December on free tv at <https://www.youtube.com/skysportnext?...>
