

President's Podium

The CPR and AED training – Thank you to those who stayed and participated in the training session on Saturday, and to Kylie Joy, Cath Burrow, and Mark Hawthorne for their efforts. Kylie has left three mannequins in the lounge for anyone who wishes to have a go at heart compressions during this next week.

Thanks also to those who made donations at the event, \$250 will be donated to the Waddington Building Fund to support the Cadets of St John.

Remember that at the club the Defibrillator (AED) is in the foyer, the stretcher is under the bed in the Women's Locker area, and there is a wheelchair in the Men's Locker room. For those who missed the session,

Club Clothing – Millie Knox thanks those who returned tracksuits and she would be happy to receive more if they are not required by members or past members. Now that competitions are underway, if anyone needs a second club shirt, or hats/caps, please put your name on the lists in the Match Rooms.

Corporate Bowls – on one Friday night our volunteers raised \$1244 net for the club – a great effort by those involved

Match Committee draws for Championship competitions – Hamish and Penny have the complex draws looking so neat and tidy, we cannot help but be impressed

Tea and coffee on the run – Saturday mornings are busy, but the duty teams need to set up the urns, cups, tea, and coffee etc. Last week Philippa and Jan washed and cleaned up around 120 cups

Orchard Green wind vane – donated by Chris Iggo has been painted white by John Church for better visibility

Stoke Classic Singles – Tayla Bruce played Jo Edwards in the Final and won! Congratulations Tayla

RIP - David Innes-Jones

David Innes-Jones passed away last week. He has been a member at Burnside since 2002, and he played bowls until very recently, always arriving on his motorised mobility scooter. He was keen on his bowls and was regarded as a gentleman and good company. He was the Skip of the team that won the Scarlett Triples in 2012-2013 and the Skip for the Hussey Pairs team that won the cup in 2013-2014.

A private service has been held.

Umpire's corner

New Umpire -We congratulate Ian Warren in achieving his Umpie's Badge - well done Ian. A toucher in the ditch is moved by another toucher as it enters the ditch. What should happen?

Answer

The movement is valid (moved by a live bowl). The indicator which marked the position of the toucher should be moved to its new position and the position of the new toucher should be marked. (Not that we tend to mark ditch bowls)

Question (xxxxiii)

A player has been warned for foot-faulting. The same player infringes again but, before you (umpire) have time to stop the bowl, it disturbs the head. What should happen?

Digital / Laser Measuring Device Use

Bowls New Zealand have issued a directive on the use of Digital / Laser measuring devices. Basically they can be used by bowlers BUT will not be used by Umpires. To read the full document go to the Bowls New Zealand front page.
