## Umpire's Corner

### Question (XLIX)

A knockout game is drawn after the scheduled number of ends have been completed.

a) From which end of the green should the extra end be played?

- b) Who delivers the jack?
- c) If the extra end is tied (e.g., two bowls touching the jack – no live bowls left on the rink) what happens?

**Answer**

- a) From the end of the green where the previous end was completed. (Law 28.3)
- b) Skips/players toss to decide who plays first (Law 28.2)
- c) Skips/players toss before each extra end. (Law 28.5)

**Question (L)**

An end is declared dead. Skip 'A' wants to replay in the opposite direction but skip 'B' objects. What should happen?

**Club Black shirts**

A new order for shirts (\$45) will shortly be placed with suppliers. If want a shirt then please put your name and shirt size on the sheets in the respective match-rooms or contact Millie Knox before Friday 8 February.
