Match Committee news

The Last round of section play for the Men's club Triples is this Saturday. A number of teams are yet to play their round 3 games. If this is you, then they need to be played ASAP before Saturday. The competition will not wait for you!

On Sunday we have the under 8s 2x4x2 drawn pairs. We are desperately looking for two more players for this event to avoid a bye. If you can help, please contact Hamish Wilson 0273334070 Start time is 9am with 3 rounds of 12 end games. Club uniform is required.

There are a number of games behind schedule in various events. You all know who you are. It is not the match committee's job to chase you so please get these played on time.

Sunday also sees a possible final of the Men's Single's with Richard Hocking playing Mike Small. Richard has already won through the first side and only Mike stands in his way of winning both sides of the draw. Game is 0930am Sunday.

Umpire's Corner

Question (LIII)

A knock-out competition is being played over the course of one day. Player 'B' has a bye in the first round. In the second round, scheduled to start at 1pm, player 'B' is due to play player 'A' who won a first-round tie (which was completed at 11am). Player 'B' arrives at the venue at noon and asks to go onto the green for a few practice ends. Is this permissible?

Answer

Yes, so long as the Controlling Body gives approval, there is enough time available without delaying the competition and another rink is available apart from that on which the player has been drawn to play later that day. (Law 4.1)

Question (LIV)

Team 'A' is holding two shots. A gust of wind moves the jack with the result that team 'B' is now holding the shot. What should happen?

President's Podium

Jill Lee (**runner up & new Secretary**) and Sarelda Rossouw (**Yr. 1&2 Women's champion for the second time**)

Congratulations to you both.

COVID-19.

Who would have thought that a year after COVID-19 interrupted our bowling season in March 2020, that we would be making changes again this March because of COVID-19.

We are in Alert Level 2 this week and because of the numbers of bowlers involved, the Twilight Business House Bowls on Thursday evening have been postponed and the Farmers Tournament due to be held on Friday has been cancelled. While it is disappointing, we have been lucky for most of the year. As far as we know at the moment, all Interclub games will go ahead as scheduled.

Remember, if you are unwell, please stay at home, keep scanning the QR codes everywhere, and keep track of your movements.

Champion of Champion Triples: Best wishes to Tracy Wilkinson, Jude Main, and Ang Mitchell who play Christchurch at 11.30am on Sunday at Elmwood Park, Heaton St. We do not have a Burnside Men's team in the CoC Triples this time.
