Vacancies:

Catering Co-ordinator:

We need someone to co-ordinate the team of experienced helpers for the occasions when food is required.

Much of the food we provide now for bowling events is purchased ready to eat eg Filled Rolls, cake, fruit, etc, and most of the bigger events are served by commercial caterers.

There are some interclub events where a light evening supper is needed (Bowls3Fives, U5 Pairs), and for some club functions or events, light refreshments such as savouries and/or sandwiches are appreciated.

If you are interested in learning what might be involved, please contact Brenda Turner – 0274 855 622 or 351 2638

Marker Convenor:

This is a new role which would involve rostering markers for events such as an Interclub Sevens weekend, and when National or Centre Singles events are held at Burnside.

(Note, the U26 Tournament has a separate convenor of markers).

For all other Singles games, players arrange their own markers.

If you are interested, our Convenor of Umpires, David Conroy is available to assist with this role. Please phone David 021 069 2625 or contact Brenda, as above.

New vinyl:

The Men's bathroom upstairs looks clean and fresh with new vinyl purchased through the Flooring Centre.

Don Lyall has been laying the leftover bits of vinyl in the storage area at the back of the Men's Locker Room. It has been a bit of a jigsaw for Don to put together, but it will make that area look tidy. Thank you Don

Opening Day: Only 7 weeks away! Keep 4pm Saturday 4th September in mind to attend the Opening Ceremony.

Question (LIX)

A player claims that a bowl has not travelled the minimum distance.

What is the minimum distance?

What should happen?

Answer

Measure in a straight line the distance between the nearest point of the bowl and the centre of the mat line. If it is less than 14 metres, then the bowl should be declared dead. (Law 17.1.3)

Question (LX)

A third plays the first of their two bowls, then realises that the team's second has played only one bowl. What should happen?
