Vacant positions

These positions have been spelt out in previous Hot Lines but, surprisingly, there have been no phone calls or enquiry from any potential Catering Co-ordinator or Marking Convenor.

There must be someone within our membership that has the skill to take on one of these roles! Where are you?

If you are willing, there will be plenty of support. Sometimes it's good to take on a new challenge, for mental stimulation and growth!

Brenda's phone number is: 0274 855 622 or 03-351 2638.

Indoor Bowls

continues to attract good numbers on Mondays, Wednesdays, and Fridays – be there by 12.50pm to be included in the draw.

Keeping up with projects at the Club

- **Jackets:** We are getting very close to finalising big decisions regarding the new Burnside Club Jacket but we need you to tell us what size club jacket you currently have. (Thank you to those who have responded, that is 42% of the women and 52% of the men). If you haven't already told us what size you wear, please hit 'reply' to theclub@burnsidebowlingclub.com or email Millie Knox mknnox@xtra.co.nz with your name and the jacket size. We will use that information to decide how many of each size jacket we should order.
- **Bike Stands and security cameras:** More members are taking up biking, and using E-Bikes which need sturdy stands for support. We are applying for a grant towards this cost, and for cameras to improve security near the gate and carpark.
- **Dining Room carpet:** The carpet has been showing signs of wear. The Executive are looking to apply for a grant to cover the cost of replacement.
- **Pruning Roses:** Thank you to John Reese for working on our roses to ensure they put on a good show when required.

Umpire's Corner

Question (LX)

A third plays the first of their two bowls, then realises that the team's second has played only one bowl. What should happen?

Answer

Because a bowl has been played by each team before it is discovered that the second has failed to play a bowl, the second forfeits his right to play the bowl. (Law 29.4.2)

Question (LXI)

Player 'A' drives at the jack in an attempt to kill the end. The bowl strikes the jack which then hits the marker on the leg. What should happen?

Membership is still available as well as the opportunity to sponsor metre-square sections of turf. Names of sponsors will be displayed at the new club.
