We would appreciate you taking a few minutes to complete this so that we can find helpers when needed. For those who don't have email, or can't open links, we will have paper forms for you at Opening Day, 4pm, Saturday 4th September.

Centre Events – The 2021 / 2022 programme is finalised. If you wish to enter, click on the link, or go to the Bowls Canterbury website to enter online. <http://bowlscanterbury.co.nz/enter-events/>

Interclub Events – A sheet of Interclub events will be provided with our Programme Book for you to indicate which events you wish to participate in and your availability.

Friday 20 August - Daffodil Evening from 4.30pm. Raising money for the Cancer Society, we will have Happy Hour drinks from 4.30pm to 6pm, and some light refreshments. Many of us know someone who has been touched by Cancer, and it's a way of supporting a very helpful organisation.

Bowls Canterbury news - Friday is Emily Belton's last at Bowls Canterbury in her Development and Youth role. Emily's contribution to the development of our game has been enormous and she is leaving us in a much stronger place than when she started. Continuing the tradition of employing a university graduate Erica Ayres is joining us and will pick up some of this role on a part time basis.

Burnside U26 Singles tournament

Burnside Under 26 Singles Tournament

Friday 8 - Sunday 10 October

Bowls NZ has confirmed it will be streaming some games from this year's event to Sky Sport Next. Also, in an exciting initiative, two players from the Cook Islands have been given direct entry into the field of 32. This will be a great opportunity to provide our NZ players with international competition while also supporting youth bowls in the Cook Islands.

As has always been the case we need to markers for this tournament. Hamish Wilson will be coordinating this task and a call to him to volunteer would be most helpful.

Lounge hire

On Friday night 13 August the Lounge has been hired for a private function so could members please vacate the Lounge by 6-45pm
