### Our Essential Burnside Programme Book

This is a very good book to have near the phone at home to find out what's happening at Burnside on any given day of the bowling season. It is full of information about who to contact and their phone numbers, Club championships, conditions of play, what to wear, and other information essential to enjoying bowls at Burnside. Please see who our sponsors are and support them as often as you can.

We hope you have picked up your copy of the book, a membership card, plus a John Phillips Harcourts Grenadier grocery list. There are also Bowls Canterbury Handbooks on the table in the foyer for those who need them.

**Ken Reid has been our Programme Editor** since 2013-2014; that means he has been doing this amazing job for the past nine years! Ken is a perfectionist, always striving to get the publication as correct as possible in any circumstance, notwithstanding COVID-19 impacts. This year's book is Ken's last publication as he is (definitely) retiring this time.

We really appreciate all the hours you have spent over so many years Ken, it has been a sterling effort, and we sincerely "Thank you", (and Rhonda).

### The Hornburn Trophy

This is an Annual competition between Burnside and Bowls Hornby, and took place on Saturday, 25<sup>th</sup> September at Hornby with 44 Burnside bowlers involved.

It was such a wild and windy day in Christchurch, we had plenty of excuses for any wayward bowls! The games were played in good spirits and followed by a very nice afternoon tea.

Unfortunately, the trophy remains with Hornby this year – while Burnside won more games on the day, Hornby claimed the trophy by points scored. Maybe next year....

### Welcome to our new members

As a result of the fliers, friends at Burnside, signs, and 3x Open Days, in the last 10 days we have had great interest from people wishing to learn to play bowls, resulting in 13 new applications for membership as of today. Thank you to Richard Mitchell and his team of helpers for an excellent outcome. We hope all our new bowlers enjoy their time at Burnside.

## Umpire's Corner

### Question (LXIX)

During the course of play the jack rebounds against a bowl and travels back up the green in the direction of the mat. How would you check if it was still beyond the minimum distance?

### Answer

Measure in a straight line the distance from the centre of the mat line to the nearest point of the jack. If it is less than 20 metres then it is short of the minimum distance. (ie dead end) (Law 19.1.4)

### Question (LXX)

No umpire has been appointed by the Controlling Body for a game during which two skips fail to agree on a point under dispute. What should happen?

## U26 Singles

This prestigious tournament commences at 8am on Friday 8<sup>th</sup> October and concludes with the final on Sunday afternoon. There is a very strong field of 32 competitors from all over New Zealand. Unfortunately, COVID has meant our Auckland and Cook Island entries cannot travel and this is given the opportunity for other bowlers to get into the field. Come along and support the bowlers.

All markers should have received an email indicating when they are required to mark for this event. If you have not received this, please contact Hamish Wilson who can advise you which games you are required for.

## Subscriptions

As of today, there are 40 unfinancial members. Members are reminded that to compete in Interclub and Club Champs you must be financial. Don't put yourself in a position where you may jeopardise your team entry by having to withdraw through late / non-payment of your subscription.

Please make the Treasurer's Day by paying either at the bar or through internet banking to account 03 – 0830 – 0331992 – 02 including your "Name" and "Sub" in the reference or particulars section.
