### Membership

It is worth mentioning that our total membership has been steadily growing and as of today, reached 258. There are 177 men, and 81 women at Burnside currently. Only 35 are non-playing members. We welcome the 15 first year bowlers, and all those who have joined us from other places or re-joined to play bowls at Burnside.

Our Secretary, Jill, has been very busy processing applications, changing membership details when required, referring our new members to others for coaching, clothing, Buddies etc.

Thanks to those who helped with Open Day hosting – Selwyn Manning, Alistair Salt, Neil Andersen, David Conroy, Pam Clarke, Mike Mehaffey, Derry Johnston, and Bob Curragh.

### Coaching

Coaching on Tuesday evenings from 5.30-7pm is now open to all our members who want a little help to get the good results on the greens. It is particularly important for our new bowlers, helping them develop their game and make friends with others in the group.

### Keeping safe at Burnside

The Delta COVID virus is very contagious.

This will be a busy weekend at the Club with many visitors playing in or supporting those playing in the U26 Tournament.

Remember to bring your mask with you to the Club. Please wear your mask in the Pavilion when serving food or drink and in areas where personal spacing may be an issue, as per the health guidelines.

It is your personal responsibility to scan QR codes, sign in, sanitise or wash your hands frequently, and mask up when required to protect yourself and others.

## U26 Singles

The Burnside Under 26 Singles Championship attracts young, talented players from across the country. The event starts 8-45 am on Friday and ends early afternoon on Sunday. It is a Burnside highlight and it is well worth while spending some time watching these games.

Unfortunately, with the Bowls NZ crew and equipment unable to get out of Auckland, there will be no live streaming this year so come down to the club and watch these talented youngsters go for the title.

A big thank you to Kerrie Bruce who despite everything that Covid 19 has thrown at her she has once again assembled a full field from non-Covid areas of New Zealand.

## SATURDAY 23 OCTOBER - NB

The **Orchard Trophy** is programmed for this date which is the Saturday of Labour Day weekend.

### The Non-Championship Committee is proposing to play the Hayman Trophy Drawing

**Competition on this Saturday** and move the Orchard Trophy to a later date. The reason for this is that the Hayman Trophy (postponed on September 18), is traditionally played before interclub starts (it begins on 30 October), it is great and enforced practice for players of all abilities, it is enjoyable and your main opponent is yourself. Address any comments to Ken Wilson-Pyne by Wednesday 13 October. The final decision on this proposal will be notified next week.

## Umpire's corner

### Question (LXX)

No umpire has been appointed by the Controlling Body for a game during which two skips fail to agree on a point under dispute. What should happen?

### Answer

The skips should choose a competent neutral person to act as umpire to decide their disputed point. (Law 40.1.6)
