**Interclub Draws** – a number of changes have been made today (19<sup>th</sup> October) so please check the Bowls Canterbury website each week, 'Events', 'Draws' to see if the updated draw affects your team. **Corporate event bookings** are coming in... If you can spare a couple of hours to assist from time to time, let Alan Bryce know you are willing to help.

All members are capable of helping, experienced or new bowlers – it's a great way to share your love of bowls and encourage others to participate. Have fun while helping raise funds to support the club.

**We have a number of new members** so please make them feel welcome and supported at Burnside.

**SATURDAY 23 OCTOBER**

– **Hayman Trophy Drawing Competition starting at 1-00 pm**

The Hayman Trophy Drawing Competition is great and enforced practice for players of all abilities. It is enjoyable and your main opponent is yourself. **Starting time for this event is 1-00 pm.**

Entries close at 5-00 pm Thursday, 21 October. Please be ready to play on your allocated rink by 12-45 pm. Dress code is Club Uniform. There is no entry fee for this event – the prize is the trophy. Winner takes all! The Hayman Trophy is one of Burnside's earliest trophies - first played for in 1965. The event is a drawing competition and the names engraved on the Trophy include a who's who of Burnside's most accomplished draw players. Originally this was a men's only event but from 1998, with amalgamation, all club members are eligible to enter. Stella Trower and Jo Edwards won this trophy in 2006 and 2008 respectively while several others of our women members have achieved top five placings. The beauty of this event is that even though you are competing against the whole field your main competitor is yourself! Whether you score 7 or 107 this is an enjoyable event where each bowl has the potential to score you points. No matter what you eventually score the Hayman Trophy competition will help you improve your bowls!

The Rules are Simple 3 or 4 players per rink, 4 bowls per player, 18 or 21 ends (depends on the day's conditions) Each rink will be marked with a cross at medium, short and long lengths. The mats will be placed on these marks while the Jack will always be on the 2m mark. Players draw their four bowls first to a medium, then short and then long jack in that sequence – think MSL (Medium, Sea, Level) Points are scored 1 point within 1 yard of the jack, 2 points within 2 feet, and 3 points within a foot. (Yes, it's so old it is not metric!) Scores will be recorded on the rink scoreboard **and** on a rink score card. Each rink will have at least one player experienced in this format to guide your group. Any fine details and any questions will be explained and answered on the day. **AND THAT'S ALL THERE IS TO IT!** Now all we need is your entry to give this event the prestige it warrants. You can enter by putting your name on the entry lists in the match rooms or online. **WHEN YOU ENTER YOU ARE IN** - just turn up 15 minutes before start time on Saturday. You will be allocated a playing rink for the afternoon and your rink and playing partners' names will be posted on

## **Interclub**

Interclub is Underway:

This Thursday (21st) our interclub season is kicking off with the Under 5's Pairs at 6pm. Following that, the Over 60's triples will start at 9.30am on Tuesday 26th. At 6pm on Tuesday 26th, both men and women play their first round of double pairs. The mixed 10's teams (Thursday 28th) will also be displayed in the match rooms and on the website soon.

Please note that if you have made a commitment to play in one or more of the competitions, you need to be checking either on line or in the match rooms for your team placement.

**A reminder about unavailability: If you become unavailable less than 7 days before the scheduled round that you have made yourself available for, you MUST contact Mike Small on 027 671 2213 or the Ladies selectors as well as placing your name on the sheet in the match room.**

Saturday interclub commences on October 30 at 9am. Under 5's triples play a double round that day which makes Saturday afternoon difficult for club team events to be played. The Men's teams for 3 x 4's and 2 x 4's will be published by Friday 22nd (this week). Ladies' teams will be uploaded to the website this year and they will be posted on the Ladies match room wall by the weekend.

Have an enjoyable season representing our great club.

From the Selectors.

## Umpire's Corner

### Question (LXXII)

When does a toucher become a non-toucher, yet remain in play?

### Answer

When it has not been marked or nominated by the time that the next bowl comes to rest. (Law 15.3)

### Question (LXXIII)

At a Fours game there is a downpour during the course of an end – only the leads and seconds have played their bowls. There is a mass exodus of players. They reappear 20 minutes later. The skip of team 'A', who is holding 3 shots, asks "Do we just carry on then?". What should happen?
