Duty teams – Each Interclub day the Selectors appoint a Duty Team and Team Captain for Interclub events played at Home, for weekday games as well as for weekend events.

The Role of the Duty Team is outlined in our Programme Book, Item 15, page 44. We ask that you all make yourselves familiar with the duties. If you are part of a Duty Team, and you are not sure how to use the dishwasher, or where to find the items you need in the kitchen, then please ask. Brenda and Philippa (Catering Team) and/or many others will be happy to show you.

Setting up the tea/coffee, urns, cups etc on **Saturday morning** will still be part of the Duty Team role. However, you are very lucky - Philippa Johnston and Jan Harmon have offered to clean up and re-set after 'tea on the run' for the morning bowlers at Burnside until the end of the pre-Xmas Saturday interclub games. Thank you to both of these 'Good Sorts.'

On Saturday afternoons: There are still a lot of cups to wash, and tidying up to do with Festival Bowls, other club games etc so if you are free to assist, that would be appreciated.

We all enjoy having the cuppa and biscuit 'on the run'.

Team Captains – The duties of a Team captain are listed on Page 44 Item 16 include ensuring all selected members have ticked their names as available and followup any members who have not indicated their availability. If playing at home to make out scorecards for your teams and a card for each opposition team. At the end of play to return the Men's scorecards to the club and place either on the pool table or the plastic receptacle in the Men's Matchroom. Ladies cards are returned to the Ladies Matchroom.

Are You OK?

Several of our members have been dealing with health issues or supporting family members through difficult times. Others may be feeling a bit anxious about COVID, money, loneliness or other things. Part of belonging to our Club means looking out for our friends or fellow bowlers, and checking to see that they are 'ok', or do they need some support?

Taking a few minutes, having a chat, a phone call can make a difference and make someone feel better, yourself included!

Umpire's Corner

Question (LXXIV)

During a fours game both teams are standing close to the head. The skip of team 'A' plays a drive shot which causes a bowl to hit the feet of another member of team 'A'.

What should happen?

Answer

The skip of team 'B' should choose whether to: -

- Place the bowl where the skip believes it would have come to rest and replace any part of the head disturbed after the displacement, or
- Declare the end dead (Law 37.1.3)

Question (LXXV)

The last bowl of an end has just come to rest. One of the bowls in the head is lying at such an angle that it could fall over into a potential shot-scoring position. What time limit is allowed before the number of shots is decided?
