### Burnside Bowling Club COVID Vaccination Policy

The Government have stated that from 3 December 2021, the Traffic Light System will commence. We are required to comply with and administer the new rules to enjoy bowls, social activities and avoid limits on club functions .

This week we need to identify our fully vaccinated members because from Friday 3 December we will be a 'mandatory vaccination certificate site'.

The Executive ask all members to begin carrying their 'proof of vaccination' card/pass/certificate with them each time they come to the club.

So, if you see any Executive member at the club, please offer to show your 'proof' so that we can add your name to the 'vaccinated member list'.

Note:

- The small purple card you received when you were vaccinated is sufficient at this time so don't panic if you haven't managed to get the 'Vaccination Pass' on your phone or a print-out yet.
- For anyone not yet vaccinated, please contact either Secretary Jill Lee, or Brenda to discuss any concerns or possibilities.

We need to ensure that from Friday 3rd December, everyone who comes on the club premises is vaccinated – bowlers, tradespeople, and visitors.

### Burnside BC Christmas Dinner

Saturday 18 December, from 6pm. Get your tickets from the Bar or from the office, or contact Brenda – 351 2638 or 0274 855 622

- Ticket price \$42 pp, great food, live music, and festive fun. Bring your partner, a friend, or family. Don't miss out!

### Goings on

There has been a bit of activity on projects at the club this past week – watch this space.

- You will notice an area just inside the gate has been prepared for concreting and bike stands with the work undertaken by Suburban Earthworks (Brad Sinclair)
- The Umpire's Room is being transformed to become a downstairs bar which will be helpful to serve the number of corporate groups, and big events in the pipeline.

### Centre Triples:

Burnside members entered 10 teams in this event which shows how many keen bowlers we have within our membership. Congratulations to the 2 Burnside teams who go on to the Finals to be played on Final's weekend in late January.

Richard Hocking (S), Mike Small and Barry Williams will play Gary Lawson's Team in the Men's Final.

In the ladies Final Tracy Wilkinson (S), Ang Mitchell and Jude Main will play a team representing Halswell.

## Corporate Bowls

We have booked around 1700 people to come to the club to enjoy Corporate Bowls in the next few weeks. Some of these visitors will possibly become members at some point in the future.

If you are able to help for a couple of hours on any day, please contact Alan Bryce or fill in a slot on the forms he has placed at the club (Match Rooms, Lounge).

Any member, even our newer members, can help out with Corporate Bowls events in a supportive role. Give it a go! It's fun, and the people are there to have a good time, try something new. The tasks are simple. Setting up, ( bowls, mats, jacks) then guide the players how to deliver a bowl , add some encouragement, then tidy up. Helping with bar supplies as required.

This is now the third biggest source of income to offset the expenses of running the Club

You will enjoy the occasion , your assistance will be appreciated

## Brazilian News

Hello everyone!

I'm in Brazil, everything worked out on the flight, doing my isolation now. Here the immigration doesn't require any quarantine, but I think about my family's safety.

From the moment I left the house in Christchurch until reaching my house in Brazil took's me 52 hours! So yesterday basically I slept all day.

The weather here is fine, during the day around 30 and nights with 15 C, sunny all day. This morning a went to the orchard and pick bananas, oranges, peach....I'm like a bird, hahaha. Thank you again for everything, all the kindness, the patience. Burnside Bowling Club was the best part of New Zealand during my time in Christchurch! I Will miss hardly the good time at the club. If you want, please send through the hotline that I reach safely! Thanks  
Cheers, Roberto

## Lost property

Ross Bell has mislaid his club jacket. It has his Silver Star on the collar therefore has sentimental value.

Anyone knowing of its whereabouts are asked to contact Ross at 021 321344

## Umpire's Corner

### Question (LXXVII)

The lead in team 'A' delivers the jack and plays the first bowl. The lead in team 'B' then realises that team 'B', and not team 'A' should have delivered the jack. What should happen?

What if lead 'B' doesn't realise until he's played his first bowl?

### Answer

- Team 'B' should re-start the end. (Law 9.5)
- Play continues in that order (Law 9.6)

### Question (LXXVIII)

A bowl which has touched the jack in its original course is lying at an angle. There is a risk that the bowl may be moved when it is marked as a toucher. What should happen?

## Interclub Scorecards

The standard of scorecard completion has slipped, and it is timely we remind you what particulars the Recorders require –

1. The points scored per end
2. The names of the players from both sides
3. The Name of the event – get details from Team selection sheets
4. The Division and section number
5. The Round number
6. The Date
7. The Green & Rink Number – optional
8. The Time a game started and finished if a time limited competition

Your cooperation will ensure the two recorders will not beat their heads in frustration trying to work out what competition, Division, or section the card belongs to.

And of course – return your card to the appropriate places in the clubrooms at your earliest opportunity.

## Match Committee
